2020-2021

Let's Eat!

College students are faced with demanding schedules every day. Where and what to eat should be easy and delicious — and that's where we come in.

We're VCUDine, the award-winning dining program at Virginia Commonwealth University. It's our mission to provide fresh, quality food that's convenient to everyone on campus. That's why our 20+ dining locations are spread across every corner of VCU's two campuses, offering students everything from traditional dining halls to grab-and-go retail locations. Plus, with 10 different dining plans to choose from, students can select the plan that's perfect for their unique lifestyle.

Getting hungry? Learn more about our dining program here or online: **vcu.campusdish.com**

As always, we invite you to reach out via the contact information below with any questions or concerns.

"Welcome, Rams! On behalf of the entire VCUDine team, we look forward to serving you during your time at VCU."

Here's how it works

There are three ways to dine with us on campus:

Swipes

One swipe equals one meal. Swipes may always be used at either Shafer's Market 810 or Jonah's. They can also be applied to **Swipe Exchange** options at other VCUDine locations.

Swipe Exchange

Most of our campus dining locations offer swipe exchange, meaning you can exchange one swipe for a designated meal.
***Specific times apply; visit vcu.campusdish.com**

Dining Dollars

Think of Dining Dollars as a prepaid and reloadable debit card, accepted at all VCUDine locations (including vending machines) for anything from a Starbucks coffee to a full meal at Chili's @ VCU.
