Let’s Eat!

College students are faced with demanding schedules every day. Where and what to eat should be easy and delicious — and that’s where we come in.

We’re VCUDine, the award-winning dining program at Virginia Commonwealth University. It’s our mission to provide fresh, quality food that’s convenient to everyone on campus. That’s why our 20+ dining locations are spread across every corner of VCU’s two campuses, offering students everything from traditional dining halls to grab-and-go retail locations. Plus, with 8 different dining plans to choose from, students can select the plan that’s perfect for their unique lifestyle.

As always, we invite you to reach out via the contact information below with any questions or concerns.

“Welcome, Rams! On behalf of the entire VCUDine team, we look forward to serving you during your time at VCU.”

- Hamilton Goss, VCUDine Executive Chef
Here’s how it works

There are three ways to dine with us on campus:

**Swipes**

One swipe equals one meal. Swipes may always be used at Shafer’s Market 810 and AVO Kitchen. They can also be applied to **Swipe Exchange** options at other VCUDine locations.

**Swipe Exchange**

Most of our campus dining locations offer swipe exchange, meaning you can exchange one swipe for a designated meal. *Specific times apply; visit vcu.campusdish.com*

**Dining Dollars**

Think of Dining Dollars as a prepaid and reloadable debit card, accepted at all VCUDine locations (including vending machines) for anything from a Starbucks coffee to a full meal at Chili’s @ VCU.

Food Restrictions and Allergies
VCUDine has the expertise and resources to accommodate most types of dietary constraint, including gluten and dairy-free. Our registered dietitian is available for complimentary one-on-one consultations to help you plan for your individual needs.

We also operate an allergen solutions station called “True Balance,” located in AVO Kitchen. True Balance is an Allergen Solutions station where all top 8 allergens are excluded from every menu option.

For more information, visit vcu.campusdish.com or browse our dietary guide.

Sustainability
VCUDine is committed to reducing waste and chemical pollution while also conserving water and energy. Learn more about our eco-efforts at: vcu.campusdish.com/sustainability.
